BLISS goes to England

We are **BLISS**ful to announce our second year at Rishworth campus, set in the heart of Yorkshire, surrounded by beautiful towns and cities, with acres of room to enjoy ourselves and practise our English!

Nestled in the Ryburn valley near picturesque Rishworth Moor and Rishworth Reservoir on the approach, Rishworth School affords beautiful views of the countryside with **rolling green hills** as far as the eye can see. Our Top Pitch overlooks stunning moors, fields, hills and the reservoir in the background. Rishworth is a **tranquil and peaceful** village in Halifax, West Yorkshire.

On our doorstep, you will find the Yorkshire Dales, the Peak District, but also big cities such as **London, Manchester, Liverpool & York** where we will visit at the weekends, as well as smaller towns such as Halifax, Hebden Bridge, Oldham and Rochdale, all full of English charm
